

Special Finance Committee Meeting Minutes, continued

2. Dean Ivey and Dr. Lee Dean appeared before the Board to discuss teacher certification procedures and various programs of teacher training in the College of Education.
3. Consideration of salary increases for Michigan State University faculty and administrative-professional employees, and for Oakland University faculty and administrative-professional employees, to be effective July 1, 1966, and to be included in the budget for 1966-67. Detailed recommended salaries had been previously distributed to the Trustees for their consideration.

Discussion of teacher cert. procedures

Approval salary budget for 1966-67

(a) On motion by Mr. Harlan, seconded by Mr. Merriman, it was voted to approve the salary increases as recommended to be effective July 1, 1966. Carried by a vote of 6 to 2, with Mr. Huff and Mr. White voting "no."

(b) The Board then went into executive session with the President to consider salaries for Vice President May and Secretary Breslin. At the executive session the President encouraged a free discussion of the salary schedule already approved. Questions were raised by some Trustees about certain specific salaries and about long-range salary policies. There seemed to be a general feeling that after salaries reach a certain level further increases should be considered as token of approval and appreciation and that there should be some accepted top level of salaries in all categories.

President to set salaries for Messrs. Breslin and May

After discussion, Mr. Harlan stated that the Trustees must rely upon the judgment of the President and other administrators in setting salaries and that he therefore moved, seconded by Dr. Smith, that the President be requested:

All salaries to be reviewed by Pres. and other administrators

- 1) to review all salaries in the list previously approved where the increase is 10% or more of the current salary; where the increase is \$1,000 per year or more, and where the current salary is \$20,000 or more; and
- 2) that he be authorized to make such changes as he thinks warranted, with such changes to be reported to the Trustees; and
- 3) that he establish the salaries for Vice President May and Secretary Breslin subject to review by the Trustees at the July meeting.

Carried.

4. At an executive session of the Board, called by Mr. Huff, the following action was taken.

President Hannah's TIAA retirement contribution from Univ inc. to \$15,000 yr

On motion by Mr. Nisbet, seconded by Mr. Harlan, it was unanimously voted to increase the University's contribution to President Hannah's TIAA retirement program from \$10,000 to \$15,000 per year effective July 1, 1966.

The meeting adjourned at 11:15 p.m.

## 2. Year-end projects, continued:

- |   |           |   |
|---|-----------|---|
| 3) Beef Cattle Research Facility  | \$ 30,000 | Allocations<br>for year-end<br>projects<br>approved |
| The State of Michigan refused to release the last \$30,000 of the state appropriation for this project.   |           |   |
| 4) Building Improvements  | 50,100    |   |
| a. Provide automatic controls to heating and ventilating equipment at a central location at the stage for both Auditorium and Fairchild Theater. This will reduce the man hours required to control the building temperatures and ventilation, and will save approximately \$2,800 a year   | \$10,000  |   |
| b. Provide general tuckpointing and caulk all windows, wash areas and flashings at Auditorium   | 11,500    |   |
| c. Replace roof over old pool, cut expansion joints and tuckpoint south side of Women's Intramural  | 15,000    |   |

| 8) Campus Lights  | 10,000    |   |
| 9) Erickson Hall  | 14,660    |   |
| To convert a portion of Home Economics teaching laboratory to 9 faculty offices   |           |   |
| 10) Snyder Hall   | 30,000    |   |
| Alterations to accomodate additional faculty for Justin Morrill College   |           |   |
| 11) Pewabic Pottery   | 33,800    |   |
| Renovation and repairs  |           |   |
| 12) Horticulture  | 34,340    |   |
| The Department of Horticulture is now in the process of moving its field operations from the present location to the new Horticulture farm on College Road, south of I-96. It is proposed to make this allocation to help to cover the cost of this move with the understanding that any additional cost will have to be covered by the Department of Horticulture and/or the College of Agriculture out of budgeted funds. |           |   |

a. On motion by Dr. Smith, seconded by Mr. Huff, it was voted to eliminate the Beef Cattle Research Facility item and to substitute the installation of ventilation changes in the Chemistry Building; and to instruct Attorney Carr and the officers of the University to request a ruling from the Attorney General and to take such steps as are necessary to enforce payment by the State of the funds appropriated to cover the Beef Cattle Research Facility, and which the State and the Department of Administration has refused to release.

b. On motion by Mr. Huff, seconded by Mr. Nisbet, it was unanimously voted to instruct the officers of the University to cause to have made a comprehensive study of water use on this campus with the objective of (1) re-using water whenever possible and practicable and (2) using river water for irrigation and other appropriate uses when practicable.

On motion by Mr. Merriman, seconded by Mr. Huff, it was voted to approve this recommendation as amended. Carried unanimously.

3. In accordance with previous discussions, it is recommended that the Board authorize an allocation from overhead funds collected during this fiscal year for the following projects:

- |  |             |  |
|--|-------------|--|
| a. Addition to the Plant Science Building  | \$1,200,000 | Projects<br>approved from<br>overhead<br>funds |
| This addition would be a wing to the Plant Science Building. The space would be used for several years for part of the medical program. When the Life Science Building is completed, it would be assigned to Botany and would permit the transfer of all of the Botany Department out of the present Natural Science Building. This plan eliminates the addition to the Biology Building which has proved too uneconomical to build. |             |  |
| b. Music Addition  | 600,000     |  |
| The University has a very high priority need for additional music facilities. Preliminary studies indicate that a project costing \$1,200,000 would meet some of the most urgent needs. It is recommended that the Trustees authorize the planning of this project with the understanding that the balance of the cost could be financed by a pledge of the special music fee charged music majors.                                  |             |  |

On motion by Mr. Merriman, seconded by Mr. Huff, it was voted to approve the above item.

Pres. and VP  
Bus and Finan  
authorized to  
make necessary  
year-end  
adjustments

## 4. Communication from Mr. May:

For many years it has been customary for the Trustees to authorize the President and Vice President for Business and Finance to make any necessary year-end adjustments when the books are closed.

I would again like to request the Trustees to give us this authority with the understanding that any adjustments are to be reported back at the completion of the audit by Ernst and Ernst.

On motion by Mr. Nisbet, seconded by Mr. Harlan, it was voted to approve the above item.

## 5. Communication from Mr. May:

For the past month I have been working with Mr. Cress to develop a standard resolution and note instrument which could be used for special projects which are financed with funds advanced by the University. Examples of this type of financing are the Atomic Energy Commission Building, the Food Science Building, and the parking ramps. Forms prepared by Mr. Cress were distributed.

On motion by Mr. White, seconded by Mr. Harlan, it was voted to approve this recommendation and to authorize the implementation of this policy.

## 14. Chancellor Varner recommends that Oakland University be authorized to offer Masters programs in Physics, Psychology, and Systems Engineering effective in the fall of 1966.

On motion by Mr. Stevens, seconded by Dr. Smith, it was voted to approve the above recommendation.

Approval  
Union  
contract

## 15. Mr. Breslin, Mr. Carr and Mr. Glander, as the negotiators for the University, presented the proposed agreement to be entered into July 1, 1966 between the Board of Trustees and the International Union of the American Federation of State, County and Municipal Employees (AFL-CIO) and Council No. 7 and its affiliate, Local Union 1585. Mr. Breslin pointed out that the first key item for consideration should be the UNION SECURITY provisions. These were discussed in detail.

Mr. Harlan moved, seconded by Mr. White, the approval of the UNION SECURITY section as amended.

After discussion, it was agreed that Mr. Harlan would withdraw his motion and Mr. Hartman moved, seconded by Mr. White, that the Trustees approve a UNION SHOP agreement. The vote was 3 for and 5 against. The motion failed.

Finance Committee Meeting Minutes, continued

## 15. Union Agreement, continued

Mr. Hartman again moved, seconded by Mr. White, the approval of the UNION SECURITY SECTION as recommended.

The vote was 5 for and 3 against, with Messrs. Huff, Merriman and Nisbet voting "no."  
The motion carried.

The details of the entire agreement, including the supplemental letters of agreement and the appendices were discussed in detail.

Mr. Huff moved, seconded by Mr. Harlan, to approve the contract in its entirety. The vote was 6 for and 2 against, with Mr. Nisbet and Mr. Merriman voting "no."

## 16. Mr. May reported bids as follows on ventilation changes in Chemistry to correct back drafts:

Robert Carter Corporation	\$29,400
John E. Green Company	32,340
Shaw-Winkler	34,397

On motion by Mr. Harlan, seconded by Mr. Huff, it was voted to approve awarding the contract to the low bidder, Robert Carter Corporation.

17. Report that at the instigation of the United States Office of Education a corporation has been created to be known as "The Michigan-Ohio Regional Vocational Laboratories." The purpose of this corporation is as follows:  
To conduct either alone or in cooperation with others and within the geographic region of Michigan and Ohio, research, surveys, and demonstrations in the field of education, vocational or otherwise, in such manner as to qualify the corporation for grants by the Office of Education, United States Department of Health, Education, and Welfare pursuant to Title IV of the Elementary and Secondary School Act of 1965. The place of business shall be the Schools Center Building Detroit Public Schools, 5057 Woodward Avenue, Detroit. The incorporators are: Samuel M. Brownell, Superintendent of Schools in Detroit; Father Malcolm Carron, President of the University of Detroit; Alexander J. Kloster, representing the State Board of Education; and John Hannah, representing public higher education and the Michigan Council of State College Presidents.

Adjourned.

Contract let  
site improve-  
ment Beaumont  
Terrace

69. On June 9 the following bids were received for site improvement work around Beaumont Terrace, miscellaneous areas on East Circle Drive, and Holmes and McDonel Hall entrance drives:

Miller Contracting Company	\$13,860
E. R. Premoe Construction Company, Inc	18,474
Kegle Construction Company, Inc.	26,131.02

It is recommended that a contract be awarded to the low bidder, Miller Contracting Company, in the amount of \$13,860 for this work. The work on the entrance drives at Holmes and McDonel Halls will be charged to their revenue accounts. Appropriations have been made for the other two areas.

Contract let  
for widening  
Farm Lane  
Bridge

70. On May 20 the following bids were received for the widening of the Farm Lane Bridge to provide for pedestrian traffic:

Vector Construction So.	\$63,872
Miller Contracting Co.	69,862.80
Christman Construction Co.	74,330
Walter Toebe & Co	155,000

All but one of the Trustees was contacted and their concurrence obtained to authorize the contractor to proceed with the work. The award of a contract to the Vector Construction Company in the amount of \$63,872 should be ratified.

Contract let  
to connect  
wells on  
no campus to  
so campus

71. On June 2 the following bids were received to connect the wells on the North Campus to the South Campus water system:

Reed and Noyce	\$15,444.41
Bailey Construction	17,000.00
Miller Contracting	23,163.41

It is recommended that a contract be awarded to Reed and Noyce in the amount of \$15,444.41. This work is necessary since the reservoir on the North Campus is being abandoned. The cost will be charged to the Utility Extension and Replacement Account.

Contract let  
for painting  
rooms Holmes  
Hall

72. On June 1 the following bids were received for painting student rooms in Holmes Hall and in the Owen Hall addition:

<u>Holmes Hall</u>	
Austin's Painters	\$45,219
Silver Lead	55,035

<u>Owen Hall Addition</u>	
Silver Lead	\$21,720
Austin's Painters	22,524
Johnson Painting Company	23,860

It is recommended that a contract be awarded to the low bidders with the cost of the work to be charged to dormitory operations.

Contracts  
let for  
Pesticide  
Res. Ctr.

73. On May 26 the following bids were received for the Pesticide Research Center greenhouse and headhouse project:

	<u>Base Bid</u>	<u>Alternate No. 1</u> <u>(Add Additional Glass Area)</u>
<u>General Construction</u>		
Hanel-Vance Construction Co.	\$277,000	\$ 60,700
The Christman Company	277,600	59,500
Miller-Davis Company	278,000	55,900
Hausman Construction Company	288,700	59,800
Granger Construction Co.	298,700	55,000
Reniger Construction Co.	309,995	58,832

## 73. Pesticide Research Center bids, continued:

The alternate was requested because the Department of Horticulture has also been planning a greenhouse, and it was felt that perhaps it could be built in conjunction with the Pesticide Research Center and, by utilizing the headhouse, save a considerable sum of money. A study of the bids indicates it would be wise to accept the alternate, and the departments which will be using the facility concur in the recommendation that contracts be awarded to the low bidder for the base work and the additional greenhouse covered by Alternate No. 1. It is therefore recommended that the following contracts be awarded:

Hanel-Vance Construction Co.	\$337,700	
Deduct for separate contracts	<u>1,100</u>	\$336,600
Bosch Plumbing and Heating		127,000
Quality Electric		<u>95,373</u>
Total		\$558,972

The \$558,972 for the work bid exceeds the budget by approximately \$17,400. This amount will be taken out of the work and change orders issued to reduce the total construction cost to about \$541,572. It is therefore recommended that the following budget be established for this project:

Construction	\$541,572
Architect	27,000
Site Development	5,000
Contingencies	<u>1,428</u>
	\$575,000

Funds for this project have been committed by the USDA in the amount of \$335,000 and by the Agricultural Experiment Station in the amount of \$240,000.

On motion by Dr. Smith, seconded by Mr. Stevens, it was voted to approve items 69 through 73.

74. Several minor changes are recommended for the student motor vehicle regulations to be effective September 1966. Copies of the regulations with the changes requested were enclosed with the agenda for this meeting.
75. The All-University Traffic Committee recommends the termination of individual reserved parking spaces for employees effective September 1, 1966, and the following changes in the MSU faculty-staff and Visitor parking regulations:

## C. Reserved Faculty-Staff Parking

1. Departmental Reserved Space. Space for departmental use may be reserved for one or more persons. Each space, necessary for fulfilling university business, is intended to serve several staff members, who are to be identified by the applying department. The annual fee for each parking space must be paid for from departmental funds. Written requests for such space shall be made to All University Traffic Committee which shall be the final authority.
2. Other. Special problems shall be acted upon by the All-University Traffic Committee.
3. Reservation Period and Fee. A reserved parking space will be for the period of 8 a.m. - 5 p.m., Monday through Friday. The annual fee will be \$30.

The adoption of this amendment pertaining to Section C would eliminate the necessity for paragraph 3, Section D.

In addition, the Committee recommends that the following paragraphs be added to Section E as numbers 10 and 11:

10. The parking gate key card issued at the time of registration may be used in lieu of a bus pass for transportation on the University-operated bus system.
11. University retirees, upon request, will be issued a vehicle permit without charge. A parking gate key card will not be issued.

76. The State Highway Department submits proposed tentative plans for the extension of M-43 across the University campus suggesting the termination of Red Cedar Road from the north at M-43 and an overpass over M-43 and the Grand Trunk Railroad at Farm Lane, and an underpass under M-43 and the Grand Trunk Railroad at Bogue Street, and requests concurrence in these plans.

On motion by Dr. Smith, seconded by Mr. Huff, it was voted to approve items 74 and 75.
