On motion of Mr. Brody, the administration of the receipts from the bequests of Amanda A. Ransom of Plainwell, Michigan, and of Marilla Griswold of Allegan, Michigan, was referred to the President of the College with power.

On motion of Mr. McPherson, the recommendations contained in the following communication from Director Baldwin, were approved:

March 7, 1922.

Dean R. S. Shaw,  
East Lansing, Mich.

Dear Dean Shaw:

The following items are submitted for consideration by the Board of Agriculture.

Appointments:

Extension  
appointments  
made.

Mr. C. P. Pressley to be County Agricultural Agent for Gratiot, beginning March 1, at \$1200 on our roll. Mr. Pressley was formerly Club Leader in Saginaw, and County Agent in Schoolcraft.

Mr. Earl Roberts to be County Agricultural Agent for Iron, beginning March 1, at \$1200 on our roll. Mr. Roberts is a graduate of Wisconsin University and well acquainted with Iron County conditions.

Mr. C. W. Wing to be Agricultural Agent for Osceola and Lake Counties beginning March 13. Neither of these counties can finance an agent alone. It is our plan to locate the office at Reed City, which will permit the agent to serve two counties. Until June 30, the salary rate on our roll should be \$1500.

Mr. Lawrence Kurtz to be Farm Crops Specialist in the Upper Peninsula, beginning April 1 at \$1800 per year, the appointment to terminate September 30. This work was done last year on the same basis by Mr. Hammes.

We wish Miss Nola Atwood appointed as Extension Clerk at \$1400, beginning March 1. Mrs. Lohman has been ill since December and it is uncertain when she will return.

Yours very truly  
(Signed) R. J. Baldwin,  
Extension Director.

Public Util-  
ities re-  
commend  
meter stand-  
ardizing  
lab.

The President presented a communication from Mr. Fred R. Harris of the Michigan Public Utilities Commission suggesting that the College cooperate with the Commission in maintaining a meter standardizing laboratory.

Ref. to  
Dean Bissell

On motion of Mr. Doelle, the Board signified its approval and the matter was referred to Dean Bissell with a request that he make investigations

as to the initial cost of establishing such a laboratory and report at the next meeting of the Board.

On motion of Mr. McPherson, Miss Grimes was delegated to represent the College at the Mid West Convention of Physical Education to be held at Des Moines, Iowa, March 30 to April 1, without expense to the College.

Miss Grimes  
to attend  
meeting.

On motion of Mr. Doelle, the matter of the employment of a permanent Alumni Secretary was referred to a committee consisting of President elect Friday, and Messrs. Watkins, Brody and Mrs. Stockman.

Com. apptd.  
to consider  
Alumni Secy

The president presented the following communication from Director Brewer:

"To the State Board of Agriculture,  
Michigan Agricultural College.

Gentlemen:-

The Board of Control of Athletics in meeting March 11, 1922, respectfully urges the State Board of Agriculture to give early consideration to the need for an Athletic Stadium.

We suggest that the Engineering Department of the College be requested to immediately make preliminary surveys and estimates of the different sites and report.

Recommendation of  
Com. of Athletic Bd.  
concerning  
location of  
stadium.

In considering sites, we believe three sites should be considered:

1. On Grand River on the plat known as "The Old Orchard."
2. In the hillside at the bend of the river between the gymnasium and Grand River Avenue.
3. The original site, (the hillside across the river from the gymnasium), selected several years ago by Mr. Olmsted and a Committee.

We believe the first two are more desirable since they are more accessible and do not require costly bridging of the Red Cedar river. The first is a very desirable except it is so far from the gymnasium, there will be need for costly duplication of many facilities. The second is perhaps equally desirable and adjacent to the gymnasium but may not be feasible and practicable from an engineering standpoint.

The Committee named by the Athletic Board is: C.L. Brewer, D.L. Porter of Lansing, E. W. Ranney of Greenville, and M.W. Taber of Detroit. This Committee are anxious to cooperate with you in any way.

Respectfully,  
(Signed) C. L. Brewer, Secretary."

On motion of Mr. Watkins, the matter of stadium site was referred to the Dean of Engineering with the request that he make estimates as to the relative costs of construction on the three sites named by the Athletic Board, and report at a future meeting of the Board.

Matter referred to  
Dean Bissell.

On motion of Mr. Doelle, the matter of plans for the Home Economics building was referred to the Committee on Buildings and College Property.

Plans for  
H. Ec. Bldg.  
ref. to com.

On motion of Mr. Brody, a committee was appointed to tender to Mr. H. H. Halladay, the position of Secretary of the State Board of Agriculture and of the Michigan Agricultural College, the appointment to date from April 1, 1922. The committee included Messrs. Brody, and Watkins.

Mr. Halladay  
offered  
Secretaryship.

On motion of Mr. Brody, a committee consisting of president elect Friday and Dean Bissell, was appointed to consider the matter of introducing a course in Engineering Administration in the Engineering Division.

Com. to consider course  
in Engr. Administration.

On motion adjourned to meet April 19, at 9 o'clock A. M.
