1. The Special Budget Committee of the State Board reported as follows:

MINUTES OF THE MEETING OF  
THE SPECIAL BUDGET COMMITTEE OF THE STATE BOARD OF AGRICULTURE  
July 27, 1927.

The Special Budget Committee appointed on order of the Board at its meeting July 23, with power to make adjustments, held its meeting July 27, 1927 at 6:30 P. M., at the Union Building.

It was agreed that, with the prospective increase of income for student fees and sales and in view of the undesirability of reducing the budget to the point that would cause the dismissal of employees, the best plan was to accept the budget figures as recommended by the President, with the understanding, that it is anticipated that these increased incomes will be sufficient approximately to constitute a reserve of \$50,000.00.

The President presented certain Executive Orders for confirmation and by vote they were confirmed, as follows:
