(including figural, scenic, symbolic, historic, humanitarian, etc.)

Archival sources for building information: The old Church was torn down in 1973 and the new Church finished in 1974. The original windows were marbelized plastic.

In 1992 we started changing the windows to stained glass using memorial money. All of the windows have been replaced with stained glass but two of the front Left side. The money given for this was given by the familys mentioned and friends of the family.
