BOYCOTT KELLOGG'S!

Kellogg's Company has stooped to financing the Congressional campaign of a businessman who promises to defeat sanctions legislation. Michigan's 3rd Ward, home of Kellogg's, is currently represented by Congressman Howard Wolpe, head of the Africa Subcommittee of the Foreign Affairs Committee. He has played a leading role in promoting sanctions legislation.

E.A.A. calls on all voters in Michigan to support Wolpe's bid for reelection. We call on all justice-loving people to **STEP UP THE BOYCOTT OF ALL KELLOGG'S CEREALS.**

A REMINDER:

- When Kellogg's workers are conscripted into the South African Defense Force, Kellogg's pays the workers the difference between the low military wages and the higher Kellogg's wages - a direct subsidy of the military!
- Kellogg's pays taxes to the South African gov't.
- Kellogg's sells its cereals to the South African military. (They say the sales are indirect!)

HOW CAN YOU INVOLVE YOUR SCHOOL?

1. Reproduce copies of the boycott coupon for your entire school.
2. Order stickers. (20 for \$1.00. Make checks to E.A.A.)
3. Get YOUR school to stop serving Kellogg's (meetings, letters, breakfast boycott for one day, etc.).
4. Make posters and banners.
5. Call on local stores to stop selling Kellogg's cereals.
6. Set up BOYCOTT KELLOGG'S tables up inside and outside your school.
7. Send to E.A.A. for the fact sheet about Kellogg's in S.A.

The FREEDOM CHARTER

The Republic of S.A. was established in 1948. Immediately very repressive apartheid laws were imposed. In 1952, masses of people were involved in a Defiance Campaign, in which thousands were arrested. The African National Congress initiated a tremendous outreach campaign to document the hopes and dreams of the S.A. people. Nelson Mandela and other great

leaders incorporated those dreams into the Freedom Charter. It was finalized at the Congress of the People, in 1955, by 2488 delegates.

E.A.A. calls on YOU to:

1. Study the Freedom Charter with your class and co-workers.
2. Endorse the Freedom Charter.
3. Compare it to documents from U.S. history.
4. Plan special events during the year, building towards Freedom Charter Day, June 26.

Kellogg's Employee Under House Arrest in S.A.

FREE ALL POLITICAL PRISONERS-NOW!

On Sept. 22, 1988 the S.A. gov't. jailed over 100 trade unionists and activists in anticipation of an anti-apartheid conference which was to be held in Capetown on Sept. 24-25. Brought together by COSATU (Coalition of South African Trade Unions), the conference would have brought together 72 opposition groups!

The apartheid gov't refused to let the conference take place. COSATU officials were put under house arrest.

CHRIS DLAMINI - COSATU V. Pres. and employee of KELLOGG'S, in Springs, South Africa.
SIDNEY MAFUMADI
MOSES LAMOLA
GEORGE DONTSEY

PLEASE write to Kellogg's, U.S.A. to urge them to contact the S.A. gov't to **FREE** Dlamini and the other COSATU leaders. (Urge Kellogg's, at the same time to **DIVEST NOW!**) For more info. contact Labor Committee Against Apartheid, (212) 242-0700.

LUANDA AND NEWARK BECOME SISTER CITIES

(NIS)—Citing vast trade and economic prospects, the mayor of Newark, New Jersey recently announced plans to forge a "sister city" relationship with Luanda, Angola.

In a statement released by Mayor James... Angola was described as a "microcosm of Africa's enormously rich land." The mayor said that the city of Newark hopes to "open the door for an exchange of ideas and culture between our two communities and nations."

The United States government has refused to open diplomatic relations with Angola since that country gained independence in 1975.>>>

**THE ECONOMICS OF APARTHEID
INCOME, A MATH LESSON BY CLAUDIA ZASLAVSKY**

AIM: Students will learn about the great differences in wages created by the apartheid system.

INTRODUCTION:

There are great differences in wages among the workers in the four racial categories designated by the South African government. As a result, the standard of living for the various groups of workers is also very different.

This table gives the average monthly wages in mining and in manufacturing for the four racial groups designated by the South African government in 1985. These are among the highest paid jobs for Africans.

	AVERAGE MONTHLY WAGES 1985	
	MINING	MANUFACTURING
AFRICAN	\$174	\$211
COLOURED	293	240
ASIAN	460	300
WHITE	902	831

ACTIVITIES:

- Comparing wages in mining. (Estimate) White workers' wages are about _____ times African workers' wages.
- Coloured workers' wages are about _____ times African workers' wages.
- Asian workers' wages are about _____ times African workers' wages.
- Comparing wages in manufacturing. Using the information above, compare the wages in manufacturing.
- Comparing wages of African and white workers.
- a. Which group earns the most? _____ Which group earns the least? _____
- b. An African miner earns \$ _____ less than a white miner each month.
- c. In manufacturing a white worker earns \$ _____ more than an African.
- d. Estimate: In manufacturing a white worker earns about _____ times as much as an African worker.
- e. An African farm worker earns about \$28 to \$40 a month. Compare these wages to the wages of an African miner or factory worker.
- f. People, mainly women, who work in other people's homes, earn about \$40 to \$80 a month. Compare these wages to those of miners.
- Standard of living. Miners and factory workers are among the highest paid African workers. At least two-thirds of African families do not have enough money for bare expenses. Compare the way Africans live with the way whites live. What things must Africans do without? Think about this.

WHAT IS APARTHEID?

KRUGER NATIONAL PARK

AIM: Students will learn about Kruger National Park, where most Black South Africans a prohibited from visiting because of the apartheid laws.

INTRODUCTION:

Kruger National Park is one of a number of very beautiful parks in South Africa. The park was named after Stephanus Kruger, Afrikaaner President of the Transvaal during the Boer War who said,

Native politics in a republic such as ours where so many kaffir tribes live among us and all around us offer very exceptional difficulties. The chief principle that must always be borne in mind is that savages must be kept within bounds..."

The Krugerrand - a gold coin, and many streets, buildings, and towns are named after Kruger!

Kruger National Park is home to some of the biggest, tallest, and fastest animals on earth. These animals include:

zebras, elephants, giraffes, white rhinoceros, hippopotomus, lions, cheetahs, ostriches, kori bustand (the largest flying bird), leopards, hydnas, antelopes (Cape grysbok, hontebok), impalas

The Park is 200 miles X 40 miles in area and is a wildlife sanctuary where all of these animals can be found roaming.

HOWEVER, MOST BLACK SOUTH AFRICANS ARE RESTRICTED FROM TRAVELING TO THE KRUGER NATIONAL PARK BY THE PASS LAWS WHICH RESTRICT TRAVEL.

ACTIVITIES:

- **Animals.** Have students make pictures or paintings of the animals found in Kruger National Park.

- **Animals.** Have students look at the partial list of animals found at Kruger Park. Some are very unusual. Students, working individually or in groups, can do research about some of the more unusual animals. Reports could include plastecine models or dioramas. They can be presented orally or in writing.

- **Pass laws.** Make a pretend park in your classroom using the animals you made in the first activity. Write on some student's passes, "RESTRICTED FROM TRAVEL TO KRUGER NATIONAL PARK". Then act out a scene where Black children want to visit the park with their parents but are prevented from doing so. Then discuss what happened and how it felt to be unable to visit the park, which is part of your own country?

- **Segregation in the United States.** There are segregated clubs, restaurants, and other facilities in the United States. Have students be on the lookout for an occasional newspaper article about legal action, demonstrations, or other actions to desegregate these facilities. Students may want to talk to someone who was deprived of membership or use of such a place.

- **Travel restrictions.** Discuss these questions.

- * Why does the apartheid government restrict travel of Black people?
- * How do you feel about such a situation where Black people by law cannot enjoy the natural wildlife and beauty of their country?

- **Travel.** Look at the advertisement for travel to Kruger National Park. Ask these questions:

- * If you went on this tour, would you learn much about apartheid?
- * If you are an Afro-American and went on this tour, how do you think you would be treated?
- * There is an international boycott of South Africa. If you had enough money, would YOU go on this tour?
