Brothers and Sisters:

Thank you for your support! Your efforts have helped us make Polaroid take a public stand in its support of apartheid.

Polaroid has not answered the three demands or met with PRWM. On Jan. 12, 1971 Polaroid bought <sup>OVER</sup> \$100,000 worth of advertisements to buy off public pressure. Polaroid said that they would conduct "An Experiment in South Africa" on black people and continue their support of racist South Africa and continue to exploit and profit off the enslavement of black people. The Polaroid ad is an insult to the PRWM and all right-thinking people. We have announced the three demands that Polaroid stop all business with South Africa and will enforce the boycott against all Polaroid products until Polaroid gets out of South Africa or until South Africa is liberated in the name of her peoples.

Our slogan for the boycott is : SEIZE THE TIME! OFF THE P.I.G. Polaroid Instant Gadgets! We need your continued support and action against Polaroid. Here's how you can help:

BOYCOTT ALL POLAROID PRODUCTS!

Polaroid cameras and film - the instant gadgets  
Cool-Ray Polaroid sunglasses  
ID-2 system - instant identification cards

IN YOUR COMMUNITY:

Stop the sale and display of Polaroid products.  
Talk to dealers and ask them not to order Polaroid.  
Put large white "X" on those who refuse - sign of quarantine.

ON YOUR CAMPUS:

Stop sale of Polaroid products.  
Do not allow Polaroid recruiters on campus.  
Stop use of ID-2 systems for campus security.  
See if univ. has Polaroid stock. Notify PRWM and take actions to force sale of Polaroid stock.

Churches:

See if church has stock thru local and national organizations.

Workers:

Find out if your company does business in South Africa. Stop!

POLAROID ID-2 SYSTEMS - INSTANT ENSLAVEMENT : The Polaroid ID-2 system has been tested and perfected in South Africa as a means of control of the masses by a FEW! It is being sold to Canada to help police keep closer watch on the people. NOW in use in 20 states for driver licenses; used in colleges and hi-schools for security; used on bank and credit cards. The ID-2 makes TWO PHOTOS at once and can be computerized! The 1971 model makes FOUR PHOTOS AT ONCE! RESIST ALL ID-2 PHOTOS - INSTANT SLAVERY IN JUST 60 SECONDS!

Seize the time, boycott, Picket, whatever. Dig it??
