Dear Friends:

The African Liberation Support Committee, in its efforts to develop an effective information and communications channel on the Liberation Struggle in Africa for the African community here in America, is seeking information from your organization. Any materials or information dealing with the African Freedom Struggle, especially in southern Africa, forwarded to ALSC would be most appreciated. We would also like to be on your mailing list if you happen to have one.

We hope to hear from you soon.

Yours in the African Liberation Struggle
