

Present: Bruce Kochis, Mike Miller, Shirley Walker, Linda & Craig Anderson, Alonzo Suson, Jerry Hunnicutt, Bill Corr, Bill Clifford (secretary).

Linda designed and executed 600 posters and 400 tickets for the 2/20 dance. They met with critical acclaim and 330 posters were folded for mailing, 55 set aside for distribution through ATU stewards and the rest doled out for other posting. Some tickets were handed out with bookstore sales handled as follows:

Bruce received 112 tickets and they were to be numbered and distributed thus;

101--130	plus 4	complimentary to	Red & Black
201-230	" 4	"	Left Bank
301-330	" 4	"	AKA

Bill Corr received 14 tickets for Coop Books to be numbered 401-410 plus 4 complimentary

Bruce suggested the above scheme, based on Red & Black's Ticket Policy which further specifies that tickets and money will only be received and disbursed by appointment with paid staff (Red or Jeanne) during business hour M-F 10am-5:30p. Tickets must be numbered in sequence and have only one price per color of ticket. They require a contract to sell tickets, which must specify when the tickets will be picked up, to whom to pay the check for sales, how many tickets are delivered and what their serial numbers are and the ticket price(s). They also ask for at least two complimentary tickets.

Approx 330 posters were folded for mailing.

Bruce will run off address and return address labels before 2/5.
Mike will purchase another roll of bulk stamps (\$64) before 2/5.
Unless otherwise notified there will be a mailing party on Friday 2/5, 7-9pm in rm 7 of the Labor Temple.

For now we are using Bill Corr's address for returns:

512 33rd Av S
Seattle, WA 98144

Shirley will investigate a PO Box at the Columbia City station.
Mike and Shirley will mail this flyer on Saturday

Mike has arranged with Dan Linville to get the key to the hall. Details are forthcoming.

Bill Clifford will coordinate set-up and cleanup. (The hall is approx 65' by 50' with a 35' by 15' stage. Chairs and tables are readily available. We will not have access to cleaning supplies. Linville will arrange an empty trash bin for us. Lighting can be quite dim--side lights only.)

Mike, Linda and Bill Corr will organize banners for the hall.

Mike, Alonzo and Bill Clifford will follow up on sources of butcher paper.

Mike is recruiting Shay's Rebellion to play a short set, if they will play gratis.

Mike will MC the show.

Bruce will give a 5 minute rap on what COSATU and SICAA do.

Jerry suggested that we show a video of the founding of COSATU later this spring and use the dance to promote it.

Bruce and Bill Corr will work with Jerry to produce a leaflet promoting the COSATU video for distr from the 2/20 info desk. The Video is scheduled for Tues , 3/15 at SCCC, 8pm.

Bruce will arrange the room and equipment.

Bill Corr will bring info on COSATU, the Shell boycott, copies of the Freedom Charter, etc., for the info table 2/20.

Shirley will set up a sign up sheet for the mailing list which will be compatible with Bruce's computer input requirements, ie., printed neatly in columns and including phone numbers. --to have at the info table.

Bruce said he could have the first issue of a newsletter avail. for 2/20. Jerry and Alonzo thought it would be better to mail it out as a follow-up to the dance and as reminder for the video-- early March. The press run could be based on our mailing list after the dance. Anyone with info for the newsletter should contact Bruce(789-1884 h, 587-4142w). He intends to include a profile of a SA activist.

Opinions on whom to allow to distribute literature at ~~our~~ our event ranged from "nobody else" (Corr) to "anybody who wants to" (Jerry). It was agreed that Bill Corr and Jerry will handle outside literature distributors on a case-by-case basis.

Bill Clifford reported that CAST is mounting an environmental challenge to UF₆ shipments through Seattle. CAST is looking for a lead lawyer to file the EIS and they are applying for some grant money.

Jerry was approved as official CAST delegate from SICAA. Bill Clifford will fire off a letter to that effect.

Bill Corr reported on the fortunes of the COSATU tour. David Bacon and Leo Robinson in SF report that both the Coalition of Black Trade Unions and AFSCME are holding international conferences this May and both hope to have a speaker from COSATU. One or the other convention will be held in IA. N'mundi Kubo, a South African working with UMW, is arranging the COSATU speaker for CBTU and AFSCME. The major hold-up is likely to be visas/immigration. If all else fails N'mundi may end up representing COSATU in some manner. At any rate some type of tour is likely in late spring.

Mike added that he has a phone number for the NUM Secretary of Education in London and a NUM address in Johannesburg which would probably be useful if we mailed registered mail. Also the UAW is sponsoring a South African cultural group, The Long March, this spring.
