

A REGIONAL PLANNING MEETING

for a

North American Anti-Apartheid Conference

Come join the process of planning and preparing a conference next year for anti-apartheid activists. People from across the US and Canada will come together to discuss working jointly across the continent in a coordinated campaign.

Help set the agenda for this important event!

Initial stages of planning begin July 29 & 30 in Portland at a meeting sponsored by USAMBA. Information and registration material will follow.

Please take this opportunity to join a broad-based, grassroots consortium of groups working to end apartheid.

If you can't come to the meeting, but would like to have some input, please send comments and ideas to the USAMBA address below . . . and send names and addresses of other groups in your area that you feel should be part of a national anti-apartheid mailing list!

THANKS!
