

Come to a public meeting and hail the victory of the People's Republic of Angola over U.S. imperialism, neocolonialism and So. African apartheid.

two reports on angola:

1. "PEOPLE'S POWER IN ANGOLA"

(A SLIDE SHOW)

OLE GJERSTAD, member of Liberation Support Movement, spent two months in Luanda, capital of the new People's Republic of Angola. He will show slides and speak about his experiences in the liberated areas with the Angolan people.

2. DISCUSSIONS WITH MPLA

On Feb. 26 and 27, a group of North American progressives met in Havana, Cuba, with a delegation from the MPLA. LARRY HOLMES, member of the National Committee of Workers World Party and the Third World Caucus of Youth Against War and Fascism, and LANCE PUSTIN, member of the National Committee of Prairie Fire Organizing Committee will report on the meeting in Cuba.
