New York, N.Y. June, 1977 ---

A broadly based demonstration preceded by a protest motorcade, will be held Friday, June 24th, from 12 noon to 1 p.m. at the Citibank headquarters (Park Avenue between 53rd and 54th Streets). The demonstration is being held to protest New York City banks making loans to South Africa. Citibank has been chosen because with its 300+ million dollars worth of outstanding loans, it is the largest U.S. lender to South Africa.

Addressing the demonstration will be speakers from trade unions, religious, community and civic organizations.

The demonstration is being sponsored by a large group of organizations and individuals described on the attached flyer.
