Dear Supporters,

Small donations together make for support. Without salaries or rents to pay, CFM channels most (71%) of the donations and pledges it receives directly to the liberation struggle. A smaller amount (29%) goes to expand education and contacts in the United States. (See Financial Report 1972 below)

To send you News & Notes costs CFM about \$2.10 each year.

Sending CFM more than \$2.10 means that you have contributed financially directly to the cause of FRELIMO and the fight for the independence of Mozambique.

For freedom in Africa,

Committee for a Free Mozambique
